

EQUINOX

Kit Kart

User Manual

Order code: EQLED165

WARNING

FOR YOUR OWN SAFETY, PLEASE READ THIS USER MANUAL CAREFULLY BEFORE YOUR INITIAL START-UP!

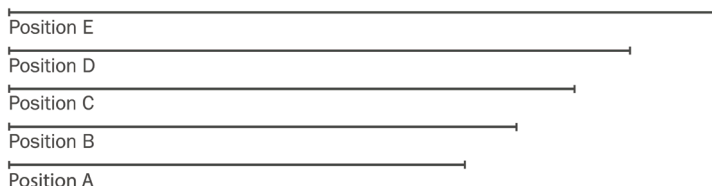

- Incorrect setup may lead to additional stress on the frame and components.
- Take care to keep fingers, body parts and loose clothing away from moving parts

Kit Kart

The Kit Kart from Equinox makes equipment transportation easy. This versatile cart has a 300kg load capacity, extends in length from 90-140cm, and is fitted with 9.5cm front swivel castors and rugged foam-filled 25cm wheels at the rear which ride easily over uneven surfaces. The strong, powder coated frame easily adjusts to various sizes and can even be used as a 2 wheel hand truck.

- 300kg load capacity
- Easily unfolds into a hand truck or utility cart
- Unfolds into various sizes for multiple uses
- Wheels ride smoothly even on uneven ground
- Strong, black powder coated steel
- Folds completely flat when not in use for easy storage
- Can be used as a 2 wheel hand truck or 4 wheel transport cart
